

## Replant Rules

To receive a replant payment:

- Must be allowed by the crop provisions
- Must be buy-up coverage (no replants on CAT)
- Must have planted the crop after the initial planting date, if applicable to the crop (See dates below, if not listed contact Progressive Ag)
- Must be practical to replant
- The acreage to be replanted must be at least the lesser of 20 acres or 20% of the insured planted acreage of the unit
- Must have consent of the adjuster to replant. ***If you replant a crop without adjuster consent you will NOT receive a replant payment.***

Replant payment will be the lesser of:

- 20% of the production guarantee for the unit (exception – 10% of guarantee for dry beans) or
- The quantity listed below times the price election times your share.

New Rule for 2017:

- You will be required to replant through the late plant period of 25 days after the final plant date (unless otherwise denoted in the crop or special provisions). See the final plant date maps on the Progressive Ag website for your area. Your guarantee will remain the same as your initially planted crop. If you fail to replant to the same crop or plant to another crop, you will forfeit any replant payment and the acres will be removed from your policy.
